FUTURECUBE

Exhibition at Exeter Cathedral

26 July – 10 September

www.islamicreformulations.net

The FutureCube was commissioned by the Islamic Reformulations project, based at the University of Exeter and funded by The Global Uncertainties Programme, Research Councils UK.

Leave a message at [#futurecube](https://twitter.com/futurecube)

The Islamic Reformulations project investigates how Muslim belief has developed and reformulated through theology, spirituality and the creative arts.
